Reminder: Advocis Western Canadian Presents: Canada's Economic Recovery

Submitted by Victoria on June 2, 2021 - 3:41pm

Canada's Economic Recovery

Register Early!

Presented by Advocis Western Canada in partnership with the Bank of Canada on Tuesday, June 10, 2021, at [REDACTED] for this timely webinar.

Available spots are limited and will be on a first-come, first-served basis.

Bank of Canada Deputy Governor **Tim Lane** will take stock of how Canada's economic recovery is progressing and what it means for the Bank of Canada. He will discuss how the digital transformation has supported the economy's resilience during the pandemic and may add to its growth potential.

Advocis Western Canada is pleased to host this event in collaboration with its chapter peers (Calgary, Edmonton, Greater Vancouver, Kootenay, Lethbridge, Medicine Hat, Northern Alberta, North Central Saskatchewan, South Saskatchewan, Thompson Okanagan, Western Manitoba, Winnipeg, and Vancouver Island). Members and non-members across the region and the country are welcome to attend.

Presenters:

ity Governor of the Bank of Canada in 2009. In
responsibility for decisions with respect to monetary
He also oversees the Bank's funds
functions?including the Bank's ongoing
research and analysis of developments in financial technology, crypto-
assets and digital currencies.

Mr. Lane served for 20 years on the staff of the International Monetary
Fund. During that period, he contributed to the IMF's analysis of numerous
countries and conducted research on a wide range of topics, including
monetary policy, financial crises, IMF reform and economic transition. In
2008, he joined the Bank of Canada as an Advisor to the Governor, a
position he held until his current appointment.
