Are you looking for a new way to discuss critical illness insurance with your clients?

With the RRSP season wrapping up, retirement planning is the main concern. Will your clients be able to maintain their retirement plan should they become critically ill?

Join us on **Wednesday, March 11, 2020, at 1:30 (EST)** and find out how critical illness insurance can be an integral part of a retirement plan.

You will learn about the issues future retirees are facing and the financial impacts a critical illness diagnosis can have. After this webinar, you will have all the tools you need to have this important conversation with your clients. **One CE credit will be offered.**
